LG Smart TV

A revolutionary, easy way to access limitless content, thousands of movies, customizable apps, videos and browse the web all set up in a simple to use interface. That's what you get with an LG Smart TV experience, the next generation in entertainment organized within a simple to navigate platform.[1]

LED

You won't believe your eyes. Tired of dark scenes or dull colors? LG's LED technology provides a slim profile and delivers amazing brightness, clarity and color detail, as well as greater energy efficiency compared to conventional LCD TVs.

MAGIC REMOTE

Works like magic. Selecting features on your TV is as easy as the wave of your hand or using the wheel option to scroll up and down through menu selections. TV remote clicking is soon to be a thing of the past.
